2nd announcement

EMSOS 2024

36th Annual Meeting | SZCZECIN

Dear Colleagues,

On behalf of the EMSOS Board it is our great pleasure to invite you to join the 36th EMSOS Annual Meeting combined with 24th Allied Health Professions Meeting which will be organized in Szczecin, Poland between 12 and 14 June, 2024.

The Congress will aim to advance knowledge on Musculoskeletal Oncology among surgeons and health-care professions from Europe and other Continents.

As Orthopaedic Oncology is constantly a dynamic growing field, so relevant for daily clinical practice, we hope that this symposium will provide an excellent opportunity to present and discuss the latest scientific findings, clinical guidelines and practical aspects followed by case studies and workshops.
